

# Corner Count Off

By whimsy - Published on crossshare.org

The answer to the meta is something you may encounter. A little extra: The name of a favorite book of mine is hidden (via three separate entries) in the grid and provides a hint to the meta.

## ACROSS

- 1 Eye color
- 6 Canine star whose actual name was Skippy
- 10 Guy who thought he was a loner
- 14 Perhaps young DrTom went to one
- 15 Fish that fed colonists
